ABOUT:
Interruption of appointments

Willebroek, 10/03/2025

Dear colleague, client, patient,

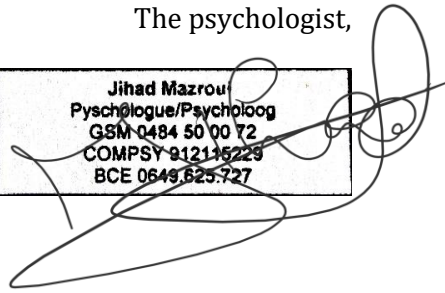

I hereby declare that I have interrupted my work from 16/10/2024 to 24/12/2024 and again from 10/03/2025 for an indefinite period. The reasons are personal and medical.

This document is for anyone who has consulted me and who must prove in good faith that he/she has not interrupted the therapeutic work of his/her own free will. This document is only valid in the presence of a previously completed certificate (report, attendance certificate, health insurance certificate completed by me) showing that the person had therapy with me. This document is therefore not valid if it is used as the only evidence. Do not hesitate to contact me in case of doubt.

A non-exhaustive list of psychologists will be posted on my website for those who want/can continue the therapeutic work during my absence.

I remain at your disposal for any further questions,

The psychologist,
